

## **PROFILE**

I am a motivated individual who is seeking more clients to work with. I enjoy creating high quality imagery for any situation, whether it be products, people, wildlife, or landscapes. My education has provided me with a great background of photography, design principles and marketing. I love acquiring new techniques and creating reputable work that is aesthetically pleasing. I am easy-going, have a keen eye for detail, and eager to work with you.

### **EXPERIENCE**

VISUAL MEDIA MANAGER
 January 2018-Present

 Virgil James, San Diego CA

I work with the design team at Virgil James to create whatever imagery is required to help build their brand name. With a quick turn around, I develop digital images using Bridge, Lightroom, and Photoshop.

EDITORIAL DESIGN INTERN February-May 2016
 San Diego Magazine, San Diego CA

I worked beside the art and marketing team to help create advertisements, edit photos, and compile/organize files. Using InDesign, Illustrator, and Photoshop, I created graphics that were used within San Diego Magazine, San Diego Pets Magazine, Exquisite Weddings, and other editorial publications.
